### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: It is noted that Applicant submitted a supplemental amendment after discussions with the Examiner. During those discussions, US 6,162,648 was brought to the attention of Applicant. This reference was interpreted to read on the claims prior to supplemental amendment. However, the supplemental amendment defines over the reference, as '648 does not describe a gas metering device configured to movably position the imaging material or a pressure equalization member. '648 is now included in a notice of references cited. The claims are now in condition for allowance in view of the supplemental amendment and for the reasons of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to MICHAEL T. ROZANSKI whose telephone number is (571)272-1648. The examiner can normally be reached on Monday - Friday, 8-4:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Long Le can be reached on 571-272-0823. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
